

HOPTON AND DISTRICT GARDEN GUILD

Newsletter May 2021

THE YEAR SO FAR

It seems a long time since the last newsletter but I hope you have all stayed well during the lockdown, been jabbed and have found jobs to do in the garden and been for some lovely walks in our countryside! I'm sure we all hope the coming months will result in the steady release from Covid restrictions and we can start to get back to some sort of normal.

With that in mind we need to consider a restart date for Garden Guild meetings. Jill has retained our speaker booking for September for the time being, and this may be a possible date for us to target. However I am very much aware that opinions will vary concerning when and how we would feel happy attending meetings again, so it would be very helpful if you could let me know your individual thoughts. This will enable us to gauge the level of interest for a September (or other month) restart and make arrangements accordingly. There will of course be an appropriate discount for those who paid their membership subscriptions in September 2019.

Please stay safe, let us know your news and views, we look forward to seeing you soon
